

PE Vision Statement

At Bramley Grange Primary School we aim to provide a high-quality physical education curriculum that inspires all of our pupils to succeed and excel in competitive sport and other physically demanding activities. We want to provide opportunities for our pupils to become physically literate and confident in a way which supports their health and fitness as they move towards making their own choices as young adults. In addition, we aim to provide opportunities for children to compete in sport and other activities in order to build character, develop skills for life such as team work, resilience, motivation and respect.

Key achievements to date	Areas for further improvement
<ul style="list-style-type: none">• All teachers delivering PE through the Real PE programme.• A wide range of children have taken part in sports competitions through the school games programme (not just the most skilled).• During lockdown the children had access to Real PE platform Jasmine and were given weekly exercise at home suggestions.	<ul style="list-style-type: none">• Ensure sustainability and consistency in terms of a whole school PE model by developing the teaching and learning of PE• Develop the role of the PE leader• Provide structured play at playtimes

Please note restrictions apply due to the COVID-19 Pandemic. This plan was written with these in mind and will be reviewed as the restrictions are lifted.

2020-21 PE and Sport Premium Funding

1. Swimming and water safety

Meeting the swimming and water safety national curriculum requirements
